

Novapur retrofit for MPAG and MPAJ sifters.

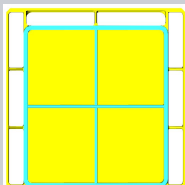

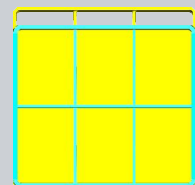

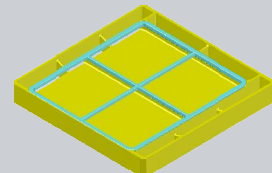

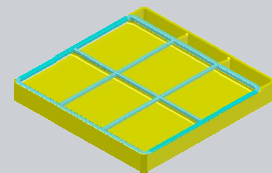

Complete sieve stack retrofit pack	Cover	Order number
Complete 20-24 frame sieve stack MPAG	Type XB / XN	MPAG-10128-001
Complete 25-26 frame sieve stack MPAG	Type XB / XN	
Complete 27-28 frame sieve stack MPAG	Type XB / XN	

Complete sieve stack retrofit pack	Cover	Order number
Complete 20-24 frame sieve stack MPAJ	Type XB / XN	MPAJ-10189-001
Complete 25-26 frame sieve stack MPAJ	Type XB / XN	
Complete 27-28 frame sieve stack MPAJ	Type XB / XN	

Retrofit pack contains the following parts:	Contents per pack (units)
Complete sieve stack covered and labeled	1
Outlet frame	1
Conversion kit (intermediate plate assembly, housing/door strips, seals, silicone-free seal material, special screws, bit set for fastening elements)	1
Planning requirement for 1:1 exchange The number of frames in the stack may vary due to the sieve area gained. Diagram adjustments (e.g. optimization) will increase the requirement.	1
Conversion instructions MPAJ-66726-1	1
No overhaul work or overhaul materials for the sifter are included; if required, they will be separately quoted. (for determining the sifter condition, please fill out the Bühler sifter condition checklist MPAG-MPAH-MPAJ-67137-1-de/en-1302)	
Sieve covers not mentioned as well as sieve stacks for sugar, oats, and corn/maize upon request.	
Delivery time: approx. 16 weeks	

Spare frame inserts	Order number
Stainless frame insert type XB without cover	MPAK-15551-001
Stainless frame insert type XN without cover	MPAK-15572-001
Stainless frame insert covered according to your specifications	upon request

Novapur frames

Sieve frame type XB
(wire and nylon mixed)

Sieve frame type XN
(wire and nylon mixed)

Novapur retrofit for MPAH and MPAK sifters.

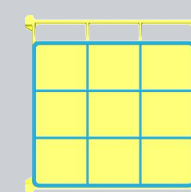

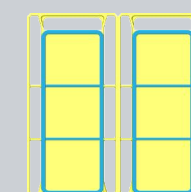

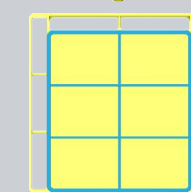

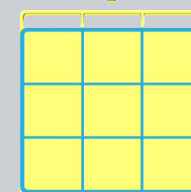

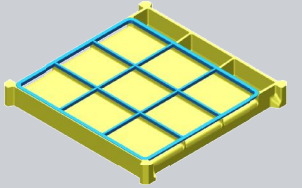

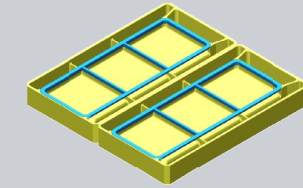

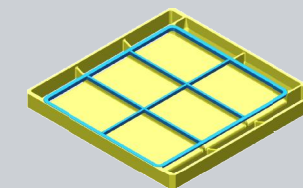

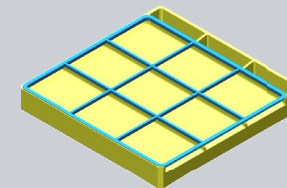

Complete sieve stack retrofit pack	Cover	Order number
Complete 22-24 frame sieve stack MPAH	Type B/N/S/C	MPAH-10162-001
Complete 25-26 frame sieve stack MPAH	Type B/N/S	
Complete 27-28 frame sieve stack MPAH	Type B/N/S	

Complete sieve stack retrofit pack	Cover	Order number
Complete 22-24 frame sieve stack MPAK	Type B/N/S/C	MPAK-15698-001
Complete 25-26 frame sieve stack MPAK	Type B/N/S	
Complete 27-28 frame sieve stack MPAK	Type B/N/S
